Clear space and size

Keep clear space around the logo equal to half the width of the icon tile.

Minimum size: full logo 96 px wide, icon alone 16 px.

Under 96 px wide, use the icon on its own (favicon, avatar, app icon).

Please don't

- Stretch, rotate or skew the logo.
- Recolour it. Use the one-colour version instead.
- Add shadows, outlines or other effects.
- Place it on busy or low-contrast backgrounds.
